It's happened! After all this time I have finally opened a make-up studio and I'm in love with it! It's amazing how things happen...I went to get my hair done by my good friend and super hairdresser, Beverly Martin, at her new place, **Hair by Bev (At the Inns)** and loved it so much I moved in too! I also decided to treat myself to a leg wax, gel polish, Swedish massage and reflexology! Well, what's a girl to do?! When you know, you know...and I knew...it's perfect! Business is just so busy with weddings, formals, lessons and all my other TV and fashion work, it was getting impossible to fit everyone in, so it was time to find a beautiful space to centre as much as possible. Although don't worry ladies, I'll still be travelling out for weddings and I'm available for call outs.

Our very own one stop glam shop! We're a collective of four businesses under one roof, perfect for all your bridal needs. Easy to find, we're located near Forestside shopping centre with plenty of parking available. A lovely relaxed atmosphere, full of chatter and laughs but also providing an exclusive experience with separate studios for make-up, hair, beauty and complementary therapies.

With 17 years' experience at Toni and Guy, Beverly Martin, **'Hair by Bev' (at the Inns) tel - 07540 762045**, is a colour specialist and hairdressing genius! After meeting on a shoot for Toni and Guy, Bev's been a friend, as well as my own personal hairdresser for over four years now. She's the best!
